- That, in case the supply shall be interrupted or fail by reason of accident or any other cause whatsoever, City shall not be liable for damages for interruption or failure, nor shall such failures or interruptions for any reasonable period of time be held to constitute a breach of contract on the part of City or in any way relieve Customer from performing the obligations of this contract.
- That failure to receive utility billings will not be recognized as a valid excuse for failure to pay utility billings when due. The City's Finance Department must be notified of any change in occupancy or any change in mailing address. **Customer acknowledges that customer will be responsible for all utility charges until Customer notifies the City in writing at least one business day in advance that the customer desires to stop utility services, by completing the City's cancellation request form.**
