

# Group Exercise Schedule

March 14<sup>th</sup> – March 31<sup>st</sup>, 2020

Updated 3.13.20

## Group Exercise:

The Centennial Recreation Center together with the YMCA offers an extensive variety of group exercise classes. We strive to accommodate a broad range of fitness levels in every class, and we encourage you to work at your own pace. Group exercise should be a fun experience for you and the whole family. Before starting any new exercise program, please consult with your physician.

**Our sub list will be posted every Friday for the following Saturday – Friday**

*\*To stay up to date on any class changes/cancellations, follow us on Facebook, Instagram and/or the CRC Phone App\**

## Information:

- ✓ For your protection and in accordance with the Public Health Department and CDC guidelines, we have made modifications to our Group Exercise schedule and classes
- ✓ We have removed all 50+ classes from the schedule, until further notice
- ✓ While props will still be available to use, please consider bringing your own mats, blocks, blankets, towels, yoga straps and boxing gloves to class
- ✓ Professional janitorial services clean our studio floors and surfaces with disinfectants every night
- ✓ Our staff are regularly cleaning and disinfecting fitness equipment on shifts throughout the day and night
- ✓ The disinfecting spray we provide throughout the facility starts working immediately, but to disinfect properly the surface needs to be visibly wet. Please use the spray bottles throughout the facility before and after using any available machines, benches or props
- ✓ If you are sick or feeling any symptoms of the virus, please stay home
- ✓ Youth 12 & older may participate in classes without a supervising adult. Youth 8 to 11 years old must be accompanied by an adult.
- ✓ **Enjoy class, have fun, and work at your own level!**

**Body Pump:** Challenge all your major muscle groups by using the best weight room exercises like squats, presses, lifts & curls. Great music, awesome instructors & your choice of weight will inspire you to get the results you came for - & fast!

**Body Combat:** This is a high-energy martial art inspired workout that is totally non-contact and there are no complex moves to master! You'll punch and kick your way through a whole-body workout, getting fit, fast and strong!

**Body Flow:** Ideal for anyone and everyone, this is a yoga-based class that embraces elements of Tai Chi and Pilates. You'll strengthen your entire body and leave the class feeling calm, centered and happy.

**Boot Camp:** A full body workout that allows you to challenge yourself as much as you want. This class is designed to provide the ultimate in agility & cross training.

**Circuit Training:** This class is a mix of different modalities (Bootcamp, TRX, Weights, Kickboxing, etc.) created to get your heart rate up & strengthen your body.

**CORE:** 30 minutes of building core strength, improving functional fitness of the abdominals, mid-section, and glutes, as well as working the cross-slings, which run from the upper to lower body using resistance bands. Excellent supplement to other class formats.

**Cycle Sculpt:** Rev up your workout & burn calories faster. This class combines intervals on the spin bike with intervals of strength training.

**Cycling:** A non-impact class conducted on a stationary bike. This class is appropriate for all levels of fitness.

**H.I.I.T.:** High Intensity Interval Training is a form of interval training will take your workout to the next level & push your physical limits. This is an advanced-level workout.

**Boot Camp Express:** This 30-minute class is designed to introduce you to the basics of Boot Camp. You will learn the exercises used in traditional boot camp & build up your strength/endurance for the full-hour class.

**Kickboxing:** Kick, punch, jab & power your way through this cardiovascular & muscular endurance workout using gloves & bags. Bring your own gloves.

**Pilates:** A mat-based workout that will strengthen & lengthen your muscles, help improve posture, enhance stability, increase core muscle strength & improve flexibility.

**Pound:** Channel your inner Rockstar with this full body cardio-jam session inspired by the infectious, energizing, and sweat dripping fun of playing the drums!

**Step:** This class introduces alternating sets of interval training along with a simply choreographed Step workout. Not only do you get the advantage of aerobic exercise, you'll get the added benefit of a challenging interval training routine.

**TRX:** TRX bodyweight exercise develops strength, balance, flexibility and core stability simultaneously. It uses the TRX Suspension Trainer, a performance training tool that leverages gravity and the user's body weight to complete 100's of exercises. You will be challenged as the instructor guides you through intense core, strength and & balancing drills.

**UJAM:** An athletic hip-hop dance fitness workout that combines dance & high energy music for a workout that is bound to get your heart rate up, your body moving & make you work up a sweat — all while having FUN!

**Yoga:** To provide you with a yoga class suited to meet your needs & wants, the YOGA classes are identified in 3 categories:

- **Flow** - A fitness-based approach to Vinyasa style flow. Students will focus on linking conscious breath with a vigorous & mindful flow. Students will build strength, flexibility & concentration while cleansing the body & calming the mind.
- **Restorative/Gentle** - Low intensity & includes restorative/yin aspects. Relaxation & tension release is the primary focus.
- **Alignment Based Yoga** – Learn to move with your breath into postures that work best for your body. Modifications are offered to make this a safe and effective Yoga practice. Deepen your knowledge of postures and challenge your ability.

**Zumba:** This high energy class uses motivating music with unique moves & combinations to give you the best dance workout ever! Zumba® is based on the principle that a workout should be "FUN AND EASY TO DO" allowing its participants to stick with it to achieve long- term health benefits.
