A. No. However, filling out the registration form will greatly increase your chances of having a better Garage Sale. The Participant List will be distributed in a number of ways and will be seen by a lot of people, therefore increasing your advertising without much effort.

Q. How much does it cost to sign up for the Garage Sale?

Q. Can I post signs for my Garage Sale?

A. Signs can be posted on private property only. Both Morgan Hill and Gilroy Sign Ordinances prohibit putting temporary signs on public property or in the public right-of-way. It is illegal and unsafe to place them on poles, trees, roadway signs, and in road medians or parkways and they will be removed. Complete sign regulations are available on the [Morgan Hill](#) and [Gilroy](#) websites. After the sale, please remember to promptly remove any signs that you have posted.

Q. What do I do with items that I don't sell?

A. One of the most important resource links that you will receive is the list of non-profit organizations that accept donations of household goods year-round. We encourage you to donate your unsold items or to give away usable items by using a "free" table rather than disposing of them in the trash.
