<p>Installation of up to twelve (9) panel antennas which will be located on a replaced light pole of equal height at the Morgan Hill Outdoor Sports Center. Also proposed are (18) remote radio units (RRUs), and (4) surge suppressors. As part of this installation there will be a new equipment shelter placed within a fenced compound adjacent to this tower. The subject site is located in an area of the ball field that is out of the daily use and will not be an impact to standard operations.</p>
